

ZVC860 Zoom Rooms Kits for Large and Extra-Large Rooms

Yealink ZVC860 is the brand-new video conferencing system released by Yealink that revolutionizes the Zoom Rooms meeting experience. Perfectly integrated with Zoom Rooms App and Yealink cutting-edge audio & video solutions, the Yealink ZVC860 is deemed to cover all the usage scenarios and provide you with the excellent conference experience in the conference room. Consisting of touch console, audio/video peripherals, and MCore, the Yealink ZVC860 enhances the whole conference experience with the familiar Zoom Rooms interface and a close-to-zero learning curve, allowing you just to simply walk into the conference room and start your conference with one-touch join, or type a few names and launch an ad hoc call. The Yealink ZVC860 includes a 4K UVC86 USB PTZ camera with 12x optical zoom, MCore, and MTouch II. You can also select MSpeaker II Soundbar, VCM34/VCM38/CPW90 array microphones to work with ZVC860.

Key Features and Benefits

Total Device Package Offer

Yealink delivers a complete Zoom Rooms package containing a full hardware suite (MCore, camera, audio devices, and touch console) as well as the requisite software and license, simplifying the purchasing process and deployment while making the after sales service experience more convenient than ever.

Smooth tracking feature & multiple audio solution

Yealink UVC86 camera allows for the auto-framing of all participants present at a meeting, speaker-tracking of the speaker talking at a meeting, and presenter-tracking of the presenter at a meeting, freeing your hands and focusing on the meeting itself. Meanwhile, with the Yealink camera control plug-in and camera presets supported, the mechanical pan, tilt and zoom can be easily done quietly in one step. Empowered with 12x optical zoom, UVC86 supports 4K video calls that conducts business to capture everyone in the meeting room clearly. The UVC86 delivers face to face, intelligent and smooth video experience by precisely reproducing every moment and detail, always showing the best picture of your room. You can also select VCM34/VCM38/CPW90 array microphones to work with ZVC860. Also, Yealink Noise Proof technology effectively eliminates background distractions and noises that you can enjoy a crystal-clear voice even in a noisy environment.

Content sharing in real time

The unique wireless content sharing solution provides participants with maximum flexibility, that a one-click content sharing can be simply realized by plugging into the WPP20 only. With a high resolution of 1080P/30 frames, it provides users with a better content sharing experience. Besides, the wired content sharing is also available by connecting to the USB-C port or HDMI port.

Simple to deploy, easy to use

This solution provides you with Yealink MTouch II, an individual touch console that separates from the mini-PC, not only making the deployment more flexible but also rewarding you a tidy and smart conference table. With the eight-inch multi-touch screen display, Yealink MTouch II allows users to join the meeting, add participants, adjust volume and control the PTZ (Pan, Tilt, Zoom) of the camera, making meeting management a snap.

Manage your devices remotely

Yealink Device Management Platform or cloud service could easily manage Yealink Zoom Rooms Kit, allowing administrators to remotely control devices with ease. The platform supports remote configuration, firm-ware upgrading, monitoring and diagnosis. Through Windows Update, users can get the latest version of the UVC camera driver and Yealink Plug-in for Zoom Rooms, further enhancing the user's Zoom Rooms experience.

Package Content

- MCore Mini-PC
- MTouch II touch panel

Connection

💡 When starting up the system for the first time, you need to connect a mouse to complete the initial configuration. We recommend using the wireless mouse and keyboard kit.

💡 For more information about the installation and deployment of accessories (for example, the installation of MCore package or the UVC86 camera), refer to the Quick Start Guide of corresponding accessory.
